COMPANY PROFILE

The journey of thousand miles begins one step. The saga of unending enthusiasm and continuous progress is the story of “ALTIS”

Altis Polytech(INDIA), established in the year 2009, situated in Rajkot-Gujarat which is one of the fastest growing industrial cities of India. Rajkot is well connected with rest of the country by Rail, Road & Air transportation. Most developed ports are easily approachable through national highway. This ensures the quick and steady of the products across the whole country.

AN ISO 9001:2015 Certified ALTIS POLYTECH, manufacturing the UPVC & CpvC Non-corrosive, Hi-tech, Hi-tensile pipes & pipe fittings. Our “ALTIS” a brand to reckon with high quality and precision that is second to none. Since its inception we have grown on a steady pace to live up to standard of finest quality, durability and design uniqueness.

Our manufacturing plant equipped with ultra modern machinery and it runs under highly qualified, efficient and well experienced personnel. We’ve our R & D division and quality control checks at various stages.
